Isabelle Shapiro

01.01.1990, born in California
123 A st
Baton Rouge
123-123-1234
ishapi3@lsu.edu

EDUCATION

2020-2024 **B.S. Environmental Science** at U.C. Santa Cruz
Graduation in June of 2024

2026 - current **Masters Oceanography and Coastal Science** at LSU

WORK EXPERIENCE

1/2023 - 8/2024 **Research assistant** at University of California, Santa Cruz

- Processed filters to measure oceanic particulate inorganic and organic carbon
- Created undergraduate capstone project on data and presented at undergraduate research symposium

4/2024 - 8/2026 **Researcher** at U.S. Geological Survey

- worked on rock and sediment samples to measure geochemistry and nutrients respectively
- created and managed rock archive and inventory
- published data releases on geochemical and minerology data

SKILLS AND QUALIFICATIONS

Lab skills hazardous waste training, radiation producing instruments training, teaching as an ethic practice trainings, acid use and management
Office skills Relativity, EverLaw, Microsoft Office, Python, ODV, ArcGIS, Aquasolv
